

# High (Dont Play With Matches Version)

## Tabitha's Secret

She had said, don't cry  
Said it only hurts forever and all we have is time  
Yeah, she said she will never know  
So close your eyes, turn down the lights,  
And I can start this show Yeah well I can't sleep so I believe  
If the shades are drawn then the slate is clean  
So don't look at pride, well there is no other way now Don't try to make no sense of this scene, it's just between  
Caroline and me  
And we keep changing  
Yeah we can grow like a board on the shore  
She says I'm restless just a little more time  
Well you know damn well she wants to feel this high Yeah we knew just who we were  
Yeah well who we thought we'd try to be  
And who it's gonna hurt  
Oh but if I'd said, if I was strong at all  
Well then I wouldn't be with someone else  
I know where I belong Yeah well I can't sleep, so I believe  
If the shades are drawn, then the slate is clean  
So don't look at pride, well there is no other way, yeah Don't try to make no sense of this scene, it's just between  
Caroline and me  
And we keep changing anyway  
Yeah we can grow like a board on the floor  
She says I'm restless just a little more time  
Well you know damn well she wants to feel this high Yeah well I can't sleep, so I believe  
If the shades are drawn, then the slate is clean  
So don't look at pride, well there is no other way, yeah Don't try to make no sense of this scene, it's just between  
Caroline and me  
And we keep changing anyway  
Yeah we can grow like a board on the floor  
She says I'm restless just a little more time  
Well you know damn well she wants to feel this high She wants to feel this high, high high, high high
