

So You Know

InMe

Just so you know
Just so you know
Just so you know
Just so you know I got to find a way to breathe
Without my head sinking into my heart
I don't want to let her leave
Without my head thinking this is the start As we move forward she believes
That I'm the one whose on her side
Cannot let this go until I get my way
Stay Just so you know
I never believed you
Just so you know
I want you to stay Looking closely at a picture of myself
From years ago
Looking closely at a stranger
Who could never let it show Now I still feel empty
As I lay here and absorb myself
Cannot let this go until I get my way
Stay Just so you know
I never believed you
Just so you know
I want you to stay Stay
Stay Stay
Just so you know
I never believed you
Just so you know
I want you to stay
Stay Just so you know
Just so you know
Just so you know
Just so you know
