Keep it real, what (Ill hook you up, love) keep it realer than real
Keep it real, huh, uh, uh
Me and you been kickin it for some time
Shorty, you aint let me know whats on your mind
I remember when cheatin on my girl was once my steez
But the loves so good, you got me on my knees askin, "Please can we?"
Make love tonight, feel so right
Hold you tight, take my sweet time
To let you know how I am feeling for you
So tight, your love is right
Keeps me up, girl, all night
I love the way you hook me up, girl, will you
Always hook you up (You, baby, baby) if you keep it real
Your love, girl, Ill keep it real (Ill keep it real, baby)
You have got me stuck on how good it feels
It feels so good to me, my baby
Boy, you know Im sittin here outta my mind
Cause I never thought Id find someone to spend my time with
And the way youve opened up to me
Lets me know that youre the one for me, so tell me can we
Make love tonight, feel so right
Hold me tight, take my sweet time
Let me know how you feel, my love is real
So tight, your love is right
Keeps me up, boy, all night
I like the way you give it to me

Always hook you up if you keep it real

Your love, girl, Ill keep it real [Just keep it real]
You have got me stuck on how good it feels
It feels so good to me, my baby [Boy, it feels so good, baby]
Always hook you up if you keep it real
Your love, girl, Ill keep it real [Ooh...ooh...yeah...]
You have got me stuck on how good it feels [Hoo...]
It feels so good to me, my baby [Yeah...hey...yeah...]
Yo, realer than my late night creeps, you understand me
The genuine article, I cant fade sleep
Jay-Z, king of the one nights
I cant stay forever, love, I get it done right [Always hook you up]
And I shall return to sweat out your perm
Cutie, I would truly do damage to your dooby
Thats the deal, ma, thats the deal of the deal
I keep it real, what, I keep it realer than real, word to my life, Jigga
Always hook you up if you keep it real
Your love, girl, Ill keep it real
You have got me stuck on how good it feels
It feels so good to me, my baby [Ooh...ooh...ooh...]
Always hook you up if you keep it real (Im gonna) [You gotta] (Im
gonna)
Your love, girl, Ill keep it real [You gotta keep it real]
You have got me stuck on how good it feels
[Hey...hey...hey...hey...ey...hey...yeah...yeah...yeah...]
It feels so good [So good, baby] to me, my baby (Im gonna be real with
you, babe)
Always hook you up [Baby] if you keep it real [Keep it real,
yeah...yeah...]
Your love, girl, Ill keep it real (I want your love, baby)
You have got me stuck on how good it feels [How good it feels, baby,
yeah...]
It feels so good to me, my baby (Ooh) [Lets keep it real]
Always hook you up (Always hook me up now) if you keep it real
Your love, girl, Ill keep it real (Always hook always hook me up)
