The One Who Really Loves You

Collection: Standing In The Shadows Of Motown (Del

Some other girls are fillin' your head with jive
So now you're acting like you don't know that I'm alive
Love, you better wake up
Yeah, before we break up
And you lose me, little me
The one who really loves youSusie only wants you until the day
(Only wants you until the day)
That she'll again have her true love
Who's far, far away
(Her true love far away)
So love, you better wake up
Yeah, before we break up
And you lose me, little me
The one who really loves you
(I really love you, yeah)Ginnie only wants you 'cause
She thinks she has to have everyone
Minnie only wants you 'cause
She thinks that hurting me would be fun
Oh, oh, oh
Silly Lilly, why'know
She doesn't really want you
With a love that's true
In fact, there's no other girl in this whole wide world
Who can love you like I doThey get tired of you and they're gonna put you down
(Put you down, put you down)
Then they ain't gonna want you hangin' around
(Hangin' around, hangin' around)
So love, you better wake up
Yeah, before we break up
And you lose me, little me
The one who really loves you
(I really love you, yeah)I do
Really, really love you
(I really love you)
