

# Say Hello (Paul van Dyk Remix)

## Deep Dish

A tricky time never slows,  
That moment walked me by  
without bothering to say,  
lucky time never stops,  
That moment walked me by  
without bothering to, Say hello,

(Say hello)

Say hello,

(Say hello)

Say hello,

(Say hello)

Say hello,

(Say hello)

Say..A tricky time never slows,  
That moment walked me by  
without bothering to say,  
lucky time never stops,  
That moment knocked me down  
without bothering to, Say hello,

Say hello,

Say hello,

Say hello,

(Say hello)A tricky time never slows,

That moment walked me by

without bothering to say,

lucky time never stops,

That moment knocked me down

without bothering to, Say hello,

(Say hello), x2(Say hello) x5(Say hello) x10
