It's way too late
To be this locked inside ourselves
The trouble is
That you're in love with someone elseIt should be me
Oh, it should be me
Sacred parts, you get aways
You come along on summer days
Tenderly
TastefullyIt's so me, we make time
Try to find somebody else
This place is mineSet the day
You know exactly how I feel
I had my doubts, little girl
I'm in love with somethin' real
It could be me
That's changin'It's so me, we make time
To try and find somebody else
Who has a lineNow season with health
Two lovers walk on lakeside mile
Try pleasin' with stealth, rodeo
See the stands long
Endin' pathOh, how I love you
In the evenin'
When we are sleepin'
We are sleepin'
Oh, we are sleepin'And so me, we make time
We try to find somebody else
Who has a lineNow season with health
Two lovers walk on lakeside mile
Try pleasin' with stealth, rodeo
See what stands long
Or endin' fast
