Crucify me - but don't deny me
Or get slit bitch you couldn't slip nothin' by me
Try me and I'll pop shots like I'm supposed to
I'm from the field where the covers are unnoticable
I've noticed a few niggas wantin' my head

Used my smarts and my secret all are firin' lead (Fire ya lead)
 With all intentions of droppin' a body
 I'm usually nervous so I'm flinchin' when I enter the party

 Raised cold-hearted and deadly
 Survive wit a nickel-plated tool and jewels old-timer done fed me
