

One Man Band

Three Dog Night

Ain't no two ways about it
I just can't live without yaLet's get together, I can't wait forever
Here I am, take my hand
I'm your manAin't no two ways about it
I just got to shoutLet's get together, I can't wait forever
Here I am, take my hand
I'm your manBaby, let me be your one man band, your one man band
Baby, let me be your one man band, your one man bandI just wanna be your one man, your one man band
I just wanna be your one man, your one man bandI just wanna be, I just wanna be
I just wanna be your one man band
I just wanna be, I just wanna be
I just wanna be your one man bandI just wanna be, I just wanna be
I just wanna be your one man band
I just wanna be, I just wanna be
I just wanna be your one man ban', ooh
