# How Can They Live Without Jesus

## Keith Green

How can they live without Jesus
How can live without God's love
How can they feel so at home down here
When there's so much more up aboveThrowin' away the things that matter
They hold on to things that don't
The world has gone crazy
But soon maybe a lot more are gonna knowFor maybe they don't understand it
Or maybe they just haven't heard
Or maybe we're not doin' all we can
Living up to His holy word'Cause phonies have come and wrongs been done
Even killing in Jesus name
And if you've been burned here's what I've learned
The Lord's not the one to blameFor He's not just a religion
With steeples and bells
Or a salesman who will sell you
The things you just want to hearFor His love was such
That he suffered so much
To cause some of us
Just to follow, follow, ohSo many laughing at Jesus
While the funniest thing that He's done
Is love this whole stubborn rebellious world
While their hate for Him just goes onAnd love just like that
Will bring him back
For the few He can call His friendsThe ones He's found true who've made it through
Enduring until the end
The ones He's found true who've made it through
Enduring until the end
