The Way She Dances

N*E*R*D

Unzip your skirt
Take off your blouse
I hope your toes are painted
'Cause you gon' dance in your undies all over the houseWhen your eyes are closed
I hope I'm the man you see (the man you see)
'Cause if not, I want you to know
Tonight I plan to be
Is this for me? Ho![Chorus:]
Slow motion like a dream
But real time is what it seems
I love the way she dance
Slow motion like a dream
But real time is what it seems
I love the way she dance
See I love the way she dance
Girl, I love the way you danceI am in your aquarium
Are you a mermaid or something?
Is it possible to marry one?
Big tits, fat ass and turquoise skinWhen your eyes are closed
I hope I'm the man you see (the man you see)
'Cause if not, I want you to know
Tonight I plan to be
Is this for me? Ho![Chorus:]Calling all cars, please arrest her
(She's a criminal in my dreams)
She just stole my heart
(It's an A.P.B.)[Chorus:]Kissing you, kissing me, it's euphoria
Remission two, remission three
It's kissing four of ya
(When sparks fly, sparks fly)
I think that's love
(When sparks fly, sparks fly)
Don't you think
Close your eyes
Hold my hand
Concentration
No destination
Just dance on constellations
(When sparks fly, sparks fly)
I think that's love

(When sparks fly, sparks fly)
Don't you think
Excuse me
But girl come with me
See you and I can be each other's company
Can't you see
(When sparks fly, sparks fly)
I think that's love
