Life's An Ocean

The Verve

Life's an ocean
Too much commotion, too much emotion
Dragging me down
Living for today, don't have time to pray
Ready for the game
Take a line of fickle flameImagine the future
Woke up with a scream
I was buying some feelings
From a vending machine
Say that I will see
Something more than I have
There's something inside of me
Crying out for something else
And if someone hears my scream
Put it in a letter to me
Slippery slimy road downLife's an ocean too much commotionNot enough emotion to satisfy me
Slippery slidy road down
It's slippery slidy road downHold my hand and we'll walk down
Dry those eyes and we'll walk downSlippery slidy road down
Life's an ocean, life's an ocean
Too much commotion, too much emotion
