

# Joyous Sound (1977)

[Van Morrison](#)

How sweet that joyous sound  
Whenever we meet, whenever we meet  
How sweet that joyous sound  
Whenever we meet again I think you know it well  
Whenever we meet, whenever we meet  
I think you know it well  
Whenever we meet again Yeah alright  
And you will begin to know about that  
That grace will follow us  
Wherever we go, wherever we go  
That grace will follow us  
Until we meet again  
Hey Oh yeah Just run and let it out  
Oh yeah now  
And you will begin to know about it darling  
That grace will follow us  
Wherever we go, wherever we go  
That grace will follow us  
Until we meet again How sweet that joyous sound  
Whenever we meet, whenever we meet  
How sweet that joyous sound  
Whenever we meet again  
Oh, whenever we meet  
Whenever we meet  
Whenever we meet again  
Oh, whenever we meet  
Whenever we meet  
Whenever we meet again  
Oh, whenever we meet  
Whenever we meet  
Whenever we meet again Again
