

Fatalist (Ether Villain Remix)

Sarah Jaffe

These are the same thoughts that I had yesterday

 Oh lady, lady

 creature of habit

then swiftly becomes itEither we'll die, we'll die, we'll die, we'll die

 without a conscienceEither we'll die, we'll die, we'll die, we'll die

 from the obviousPut me to shame

 Put me in my placeOh lady, lady

 creature of habit

then swiftly becomes itEither we'll die, we'll die, we'll die, we'll die

 without a conscience

 Either we'll die, we'll die, we'll die, we'll die

 from the obvious
