Me Hostage

Shampoo

HeySuck me in and spit me out the way you always do
Kill me one more time or any time you want toLust for me boy
Pure and evilAnd it's me, hostage, dangerous and drole
And it's me, hostage, but I'm in control,
I'm in control, complete control!Overkill is all the rage and under age is too!
Innocence and ignorance, but playing dead ain't youLust for me boy
Pure and evilAnd it's me, hostage, dangerous and drole
And it's me, hostage, but I'm in control
I'm in control, complete control!I play dead for you
I play dead for youSuck me in and spit me out the way you always do
Kill me one more time or any time you want toAnd it's me, hostage, dangerous and drole
And it's me, hostage, but I'm in control
I'm in control, complete controlI'm in control
