Forever Yours

Gateway Worship

Broken and lost You found me.
Though hurt had been my way, You healed my life
Called as a child and righteous
You broke the power of sin and freed my heartYou saved me and I will be forever Yours
You made me free to be forever YoursEmptied of self and rescued
You opened up my heart to know Your cross
Held by the power of freedom
You broke all lies and found me in Your truthYou saved me and I will be forever Yours
You made me free to be forever Yours
You saved me and I will be forever Yours
You made me free to be forever YoursI will love You God, I will stand and worship
I will give You praise, to You, my hands, I raise
I release my pride, a living sacrifice
You are my delight, to You I give my life
[x2]You saved me and I will be forever Yours
You made me free to be forever Yours
You saved me and I will be forever Yours
You made me free to be forever Yours
You saved me and I will be forever Yours
You made me free to be forever YoursI will love You God, I will stand and worship
I will give You praise, to You, my hands, I raise
I release my pride, a living sacrifice
You are my delight, to You I give my life
