There's a Kind of Hush

Johnny Mathis

There's a kind of hush
All over the world tonight
All over the world you can hear
The sounds of lovers in loveJust the two of us and nobody else in sight
There's nobody else
And I'm feeling good, just holding you tightSo listen very carefully, get closer now
And you will see what I meanThe only sound that you will hear
Is when I whisper in your ear
I love you forever and everThere's a kind of hush
All over the world tonight
All over the world you can hear
The sounds of lovers in loveThere's a kind of hush
All over the world tonight
All over the world you can hear
The sounds of lovers in loveThere's a kind of hush
There's a kind of hush
All over the world
