

# There's a Kind of Hush

Johnny Mathis

There's a kind of hush  
All over the world tonight  
All over the world you can hear  
The sounds of lovers in loveJust the two of us and nobody else in sight  
There's nobody else  
And I'm feeling good, just holding you tightSo listen very carefully, get closer now  
And you will see what I meanThe only sound that you will hear  
Is when I whisper in your ear  
I love you forever and everThere's a kind of hush  
All over the world tonight  
All over the world you can hear  
The sounds of lovers in loveThere's a kind of hush  
All over the world tonight  
All over the world you can hear  
The sounds of lovers in loveThere's a kind of hush  
There's a kind of hush  
All over the world
