Space (Radio Edit) [Bonus Track]

Magic Wands

I'm not programmed to give you that informationSleep in the skies
stars in the sea
these are dreams of mine
I fall at your feetSummer nights in space
make me complete
beams and beams of light
a love beyond beliefI fell in love
I fell in love
I fell in love
I fell in love
in an ordinary worldOh oh oh oh oh
Fly through the skies
feeling your heat
beams and beams of light
a love beyond beliefAnd I won't ever wake up from this dreamSay we'll always be together
say this love will last foreverSay we'll always be together
say this love will last foreverI fell in love
I fell in love
I fell in love
I fell in love
in an ordinary worldOh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh...
I fell in love
I fell in love
I fell in love
I fell in love...
