Advisory - the following lyrics contain explicit language:

You want to know  
How it will be  
Me and him  
Or you and me You both stand there your long hair flowin'  
Eyes alive your mind still growin'  
Sayin' to me, "What can we do now that we both love you?"  
I love you too  
I don't really see why can't we go on as three You are afraid  
Embarrassed too  
No one has ever said such a  
Thing to you Your mother's ghost stands at your shoulder  
Face like ice a little bit colder  
Sayin' to you, "You can not do that, it breaks all the rules  
You learned in school"  
I don't really see  
Why can't we go on as three We love each other  
It's plain to see  
There's just one answer  
That comes to me Sister lovers water brothers  
And in time maybe others  
So you see what we can do is to try something new  
If you're crazy too  
I don't really see  
Why can't we go on as three
