

# Love Of A Stranger

Jennifer Rush

No illusions of tomorrow  
Not that kind of a love  
Keep demanding all of my time  
Then you push me and shove Saying love's illegal  
Love's a liar  
Stealing hearts from the stars  
See no evil  
Hear no fire  
Paralyzed by the light It's the love of a stranger  
That can steal your heart  
Beware of the danger  
When the passion starts  
It's the love of a stranger  
When the darkness calls  
'Cause a love will hold your heart for ransom here  
Till it's gone and leaves you all alone Stormy weather at the border  
And some burns within  
So beware of words of honor  
Seems so close to sin It's the love of a stranger  
That can steal your heart  
Beware of the danger  
When the passion starts  
It's the love of a stranger  
When the darkness calls  
'Cause a love will hold your heart for ransom here  
Till it's gone and leaves you all alone It's the love of a stranger  
That can steal your heart  
Beware of the danger  
When the passion starts  
It's the love of a stranger  
When the darkness calls  
Beware of the danger  
When the passion starts It's the love of a stranger  
That can steal your heart  
Beware of the danger  
When the passion starts  
It's the love of a stranger  
That can steal your heart
