Circuitry (Alien mix)

Front Line Assembly

Through waves
they shift
Below they hide
Corporate killersSide by side
Process this signal
Final post
Global defianceNo hope for most
Inform of liquid
sliding through air
Tracking this existence
Killer hardware[Chorus]
As the sun burns out your eyes
A new world will now arise
Out of the ashes new life appears
A final conquest without any tearsMassive violence
The slaughter begins
Future collisions
This nightmare now beginsLying faces
Bastards are cold
Self annihilation
This feeling's growing old[Chorus]This burning sensation
won't last long
Eternal peace you must be strong
Ashes to ashes dust to dustA metaphor will never trust
Progress reactions
the action [unknown]
Dark disformationThe time crawls near
Through waves
they shift
Below, below they hide
Corporate killers
Side, side by side[Chorus]This burning sensation
won't last long
Eternal peace you must be strong
Ashes to ashes Dust to dustA metaphor will never trust
A metaphor will never trust
A metaphor will never trustThis persecution
This final solution
No, no resolution

This, this persecution
This persecution
