

# Whole 'Nutha Thang

## Keb' Mo'

I don't care much about cocaine  
And you'll never see me jumpin' out no airplane  
Wine and whisky don't give me no thrill  
And I don't care nothin' about those nasty little pills  
But Women! Now that's a whole 'nutha thang You won't see me wastin' all the money I made  
And you ain't never gonna see me drivin' no Escalade  
If you're lookin' for a handout you're wastin' your time  
I wouldn't give a crutch to a cripple.  
I wouldn't give a bum a dime.  
But Women! Whoa, that's a whole 'nutha thang Now when you talk about the women that's a whole 'nutha  
thang  
I like 'em big, fat, short, tall, thin and in between  
I like 'em when they're gentle and I like 'em when they're mean  
I like 'em when they whisper but I love 'em when they scream. I don't buy stock. I don't place no bets.  
And I won't be smokin' none of them stinky cigarettes  
Only one thing make me throw my money away  
And that's a little TLC and a little TNA  
'cause Women! Yeah that's a whole 'nutha thang I'm gonna say it again.. look here.. I'm gonna say it again  
Women! Women! Women! That's a whole 'nutha thang.
