

# Cry No More

Glacia Robinson

It's meaning and my soul searches for  
more I'm asking you to dry my tears

I got to let you know

I don't wanna cry no more I don't want  
to shed another tear I'm so tired of  
feeling all alone I don't wanna cry

don't wanna cry

cry no more

a little girl has lost her innocent  
now she hide behind her pain a little  
boy has become a man that riddle with

the shame now consume with blame and

anger these empty souls embrace

Won't you hear these silent prayers  
they need you once more cause i don't  
want to cry no more I don't wanna shed

another tears so tired of feeling all  
alone I don't wanna cry don't wanna

cry no more Jesus I know you're a  
healer because you live inside of me

nothing else is impossible with you I've  
got to see stretch out your hand to  
healing I cried a river's of tears  
there is a miracle with my name on it  
I'm standing right here  
Cause I don't wanna cry no more I  
don't want to shed another tear I'm so  
tired of feeling alone I don't wanna cry  
Don't wanna cry yeaahh  
I don't wanna cry noooo I don't wanna  
shed another tear I am so tired tired  
of feeling all alone ohhh I don't  
wanna cry don't wanna cry  
cry no more
