Sabotage

Dead Moon

It's the
It's the common cause
It's the bloody cross
It's a sabotage
It's a bomb threat
It's a code red
It's a thousand deadIt's a twisted thought
It's a fever caught
It's the kill and rot
It's the terror reign
It's the devil's game
It's the wrath of cainIt's the taking of time, taking of time,
Taking of time, time, timeMurder in the sky
It's the sleeping lie
It's a suicide
It's a trash and burn
