Lost In The Light

Bahamas

I'm lost in the light
I pray for the night
To take me, to take you tooAfter so many words
Still nothing's heard
Don't know what we should doSo if someone can see me now, let them see youIt was my greatest thrill
But we just stood still
You let me hold your hand 'til I had my fillEven countin' sheep
Don't help me sleep
I just toss and turn right there beside youSo if someone could help me now, they'd help you too.They'd help you too
See you through
All the hard things we've all gotta do
Cause this life is long
And so you wouldn't be wrongBein' free leavin' me on my own!And I held my own
Still I rattled your bones
I said some awful things and I take them backIf we would try again
Just remember when
Before we were lovers, I swear we were friendsSo if someone could see me now let them see youLet them see you
See you through
All the hard things we've both gotta do
Cause this life is long
So you wouldn't be wrong
Bein' free here with me on my own!
