

Go Pato

Pato Banton

Now all lovers of positive reggae music
could you please fasten your seat belts because we have lift off.

I got it man!Go Pato! everybody telling me to (3x)
Go Pato! all over America!Go Pato! everybody telling me to (3x)
Go Pato! all over America!I want the whole wide world to know
that Pato Banton is on the go.

Just like a tree that plant by the rivers of water

I will surely grow.

Everyday I kneel and pray
that Jah* will guide me on my way.

I wanna be good yes I wanna do right
and I don't want to go astray.

People tell me yes they do
they say Pato Banton we love you.
That's why I want to dedicate this song
to everyone of you.

To every friend and every fan
and every radio D. J. too.

Every reggae reporter, producer, promoter
I'd just like to say thank you.

And all the youth I stand and salute
for staying loyal to the reggae roots.

They give me the strength to push on through
because they tell me to ...Go Pato! everybody telling me to (3x)
Go Pato! all over America!Go Pato! everybody telling me to (3x)
Go Pato! all over America!I want the whole wide world to know
