Officially Missing You

Geeks (ê¸±ìŠ¤)

Officially missing you
Take one
Hmm mmm
All I hear is raindrops falling on the rooftop
Ooh baby tell me why'd you have to go?
'Cause this pain I feel it won't go away
And today I'm officially missing you
I thought that from this heartache I could escape
But I fronted long enough to know
There ain't no way and today
I'm officially missing you
Ooo can't nobody do it like you
Said every little thing you do
Hey baby say it, stays on my mind
And I, I'm officially
All I do is lay around, two ears full of tears
From looking at your face on the wall,face on the wall
Just a week ago you were my baby
Now I don't even know you at all, I don't know you at all
Well I wish that you could call me right now

So that I could get through to you some how
But I guess it's safe to say baby, safe to say
That I'm, I'm officially missing you
Ooo can't nobody do it like you
Said every little thing you do
Hey baby say it, stays on my mind
And I, I'm officially
Well I thought I could just get over you baby
But I see that's something I just can't do
From the way you would hold me
To the sweet things you told me
I just can't find a way to let go off you
Ooo can't nobody do it like you
Said every little thing you do
Hey baby say it, stays on my mind
And I, I'm offi ially
It's official
You know that I'm missing you

Oh yea yes, all I hear is raindrops
Ooh yea
And I'm officially missing you
