

Hate

Sherbet

[Jay]haters, haters, these niggas is haters!

and i made myself so easy to love
yeah, yeah

[Kanye]How much they hate it, very
kiss girls like Katy Perry

I am never sprung but i spring her, Jerry
dont try this at home, results may vary

king like t.i. but in the Chi, Larry

[Jay]Hoova, HOVA, both are(a)

American gangstas you choose whose, colder(a)

Rappers get nasty in the booth,
but im gross, i cant even stomach myself

ulcer, more realer cause im closer

had girlies in girldles weighing more than they suppose to(a),

poser(a), No Sir(a),my hustle, so Russell,
i stretch work, yoga

you know i got it down dawg,

Al Roker, i used to knock pounds off
it aint nothing for me to knock nouns off,
but these MCs are prayin for my downfall,
they just.. Haters

i wave at you, im so player,

ill never be done im so ra(y)re

[Kanye]We killin the game its not fai(y)r

you mother fuckers stay right the(y)re

'cause we too high up in the a(y)ir

we blastin off just like a la(y)ser

nigga pewoon, pewoon, pewoon,

get me back, give me room, room, room

DB-9 like vroomm,vroomm, vroom

yo' hov what we doin, doin, doin

[Jay]We ballin, bitches,eatin y'all food leavin dishes

why these niggas always talkin Lear talk Ye?

why i never see them at the Clearport Ye?

why i always hear they at the airport

why i fly daily like im in the airforce

therefore, please stop talkin my ears off

millionaire talk, you haters,

you mad at me cause, your paper,
needs to get it's muthafu*in weight up (hold up)
i aint done, name one thing that i aint done
it hurts when you say that i aint one, haters
how do i gain your favor, i need to know cause i ca(y)re
i need you to love me i swea(y)r, look he(y)re
see Ye is, runnin the Chi like Gale Sayers,
im runnin new york, i got the mayor, on my pager
you cant fade us, you hate us
i need you, stay the(y)re
i breath you, like a(y)ir,
a(y)ir
where's all my haters,
i love all my haters
i love all my haters
i love all my haters
