

My Number One

Elena Paparizou

Youre my lover, undercover
Youre my secret passion and I have no other
Youre delicious so capricious
If I find out you dont want me, Ill be viciousSay you love me and youll have me
In your arms forever and I wont forget it
Say you miss me, come and kiss me
Take me up to heaven and you wont regret itYou are the one, youre my number one
The only treasure Ill ever have
You are the one, youre my number one
Anything for you cause youre the one I loveYou re my lover, undercover
Youre my secret passion and I have no other
Youre a fire and desire
When I kiss your lips, you know, you take me higherYoure addiction, my conviction
Youre my passion, my relief, my crucifixion
Never leave me and believe me
You will be the sun into my raining seasonNever leave me and believe me
In my empty life youll be the only reason
