

# Sexy Thoughts

Paula Abdul

I want you, I need you  
Give it to me, slowly  
Give me your hand  
Sexy thoughts, yeah  
Day or night, it's the way of life  
Whatever keeps me pumpin'  
Whatever makes me feel alright  
Well, I've been tryin' to find myself  
I was in a trance but now I feel like dancin'  
Put on your platforms, get your move on  
Won't flow to nothin' I don't like  
([Incomprehensible])  
My vibe is mental, it's never gentle  
You gotta do your own thing, move it side to side  
Now, if you love yourself  
(If you love yourself)  
Throw your hands in the air  
(Yeah)  
And if you think you're sexy  
Clap your hands like you just don't care  
All you gotta do is be a little sexy  
(Sexy things bring sexy thoughts, sexy thoughts)  
(Sex)  
All you gotta do is be a little sexy  
(Sexy things bring sexy thoughts, sexy thoughts)  
(Sex)  
I got an attitude, I got a complex  
I'm feeling funky, I bet'cha knew that  
(Feeling funky)  
When you saw me  
(You thought you could take me to another place)  
But I ain't hip to that, I ain't with that  
Here comes the spotlights  
I gotta get mine  
So move that body if you ain't got it  
(It's all about strength, poise)  
(So make some noise)  
You don't have to let nobody know

How you're gonna steal the show

Now if you love yourself

(If you love yourself)

Throw your hands in the air

(Yeah)

And if you think you're sexy

Clap your hands like you just don't care

All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

[Incomprehensible]All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

All you gotta do Is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)

All you gotta do is be a little sexy

(Sexy things bring sexy thoughts, sexy thoughts)

(Sex)
