

# Armageddon

## Desperate Journalist

So much self-loathing  
In your high-end, high street clothing  
So live while you're alive  
There's only us now  
As the cities rust down

Gone by sixty five  
No apocalypse  
Just the curve of your hips  
Far away and drive, oh-woah-woah

Armageddon's coming, I'll confirm your fears  
Armageddon's coming, so c'mere  
It gets closer every year, woah  
Armageddon's coming, so c'mere, oh oh oh oh

Relive to my goal  
Relive to my goal  
Relive to my goal

As the ocean simmers  
And the lights grow dimmer  
Hold me to the beat  
And the rising water  
And I'm no one's daughter  
Well can you offer me some heat? oh-woah-woah

Armageddon's coming, I'll confirm your fears  
Armageddon's coming, so c'mere  
It gets closer every year, oh  
Armageddon's coming, so c'mere  
I'll confirm all your fears, oh oh oh  
Armageddon's coming, so c'mere
