Combustion

Dark Soho

No more ifs, no bias, no ambiguity
No wondering whether this is it
Clarity, so brightly shining
The image so painfully absoluteNo edges blurred on this awareness
No unknown weight to tip the knowledge scales
Eyes dilated to grasp it all
As every illusion of what we are failsAn unquestionable picture, determined, complete
Its crystalline lines untouched by doubt
So vivid, so deprived of hesitation
Shining in its evil splendorThe burning hatred of man
A million degrees on display
Human voracity delineated
The demons in us all by fumes portrayedStare, see, take in, grasp
Comprehend, assimilate
Behold your reflectionThe framing gold plated lies
The canvas hurting souls caught and weaved
The artist, the human dream
Incinerated, devoured, deceived
