

# Combustion

## Dark Soho

No more ifs, no bias, no ambiguity

No wondering whether this is it

Clarity, so brightly shining

The image so painfully absoluteNo edges blurred on this awareness

No unknown weight to tip the knowledge scales

Eyes dilated to grasp it all

As every illusion of what we are failsAn unquestionable picture, determined, complete

Its crystalline lines untouched by doubt

So vivid, so deprived of hesitation

Shining in its evil splendorThe burning hatred of man

A million degrees on display

Human voracity delineated

The demons in us all by fumes portrayedStare, see, take in, grasp

Comprehend, assimilate

Behold your reflectionThe framing gold plated lies

The canvas hurting souls caught and weaved

The artist, the human dream

Incinerated, devoured, deceived
