Don't Forget

Demi Lovato

Did you forget?
That I was even alive
Did you forget?
Everything we ever had
Did you forget
Did you forget
About me?

Did you regret
Ever standing by my side?
Did you forget
What we were feeling inside
Now I'm left
To forget
About us

CHORUS
But somewhere we went wrong
We were once so strong
Our love is like a song
You can't forget it

So now I guess
This is where we have to stand
Did you regret
Ever holding my hand?
Never again
Please don't forget
Don't forget

We had it all
We were just about to fall
Even more in love
Than we were before
I won't forget
I won't forget
About us

CHORUS
But somewhere we went wrong

We were once so strong
Our love is like a song
You can't forget it

(guitar)

Somewhere we went wrong
We were once so strong
Our love is like a song
You can't forget it at all

And at last
All the pictures have been burned
All the past
Is just a lesson thats we've learned
I won't forget, please don't forget us

Somewhere we went wrong
Our love is like a song
But you won't sing along
You've forgotten
About us

Don't forget
