

Live Alone

Franz Ferdinand

I wanna live alone
Because the greatest love is always ruined
By the bickering, the argument of living I wanna live alone
I could be happy on my own
With the rest of my life
With the vaguest of feeling, I Wherever you are, whoever is there
You know that I'll be here, I'll be here
Wishing that I could be there Wherever you are, whoever is there
You know that I'll be here, I'll be here
Wishing I could be there So I'm gonna live alone
I'm not saying that all of it's the greatest
But I'm in love with you, wanna stay in love with you So I'm gonna live alone
Yeah, I'll be happy on my own
With the rest of the life
With the vaguest of feeling, I Wherever you are, whoever is there
You know that I'll be here, I'll be here
Wishing I could be there New York City, when I get in a taxi
I say, "Man" to the driver", so he'll say, "Man"
Well, I can imagine having a drink with that guy He's alright
Oh, he's alright
He's alright
Yeah, he's alright
He's alright Wherever you are, whoever is there
You know that I'll be here, I'll be here
Wishing I could be there Wherever you are, whoever is there
You know that I'll be here, I'll be here
Wishing I could be there
