

Shadow of the Sun

Audioslave

Once upon a time
I was on a mind to lay your burden down
And leave you where you stood
You believed I could
You'd seen it done before
I could read your thoughts
And tell you what you saw
And never say a word
But now that is gone
Over with and done
And never to return I can tell you why
People die alone
I can tell you I'm
The shadow on the sun Staring at the loss
Looking for the cause
And never really sure
Nothing but a hole
To live without a soul
And nothing to be learned I can tell you why
People go insane
I can show you how
You could do the same
I can tell you why
The end will never come
I can tell you I'm
The shadow on the sun Shapes of every size
Move behind my eyes
Doors inside my head
Bolted from within
Every drop of flame
Lights a candle in
Memory of the one
Who lived inside my skin I can tell you why
People go insane
I can show you how
You could do the same
I can tell you why
The end will never come
I can tell you I'm

The shadow on the sunShadow on the sun

Shadow on the sun

Shadow on the sun
