

# (If You Want It) Do It Yourself

Gloria Gaynor

Many years ago my dad said, "Honey  
Lady luck may never come your way  
If it's love you want not only money"  
This is what my daddy used to say Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself  
Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself Waitin' around for someone who can help you  
Oh, someone who can help you find your way  
Then if you think there's no one you can turn to  
Well, there's someone just a lookin' glass away Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself  
Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself Wishin' and hopin' for your fortune  
Prayin' that you'll see your lucky day  
If you're lookin' for some inspiration  
This is what my daddy used to say Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself  
Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself  
Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself Well, if you want it, go out and get it  
You got to do it yourself, do do do, do it yourself  
Well, if you want it, go out and get it
