

# Rock n Roll

## Bleach

I want you to know how I feel  
About you, about you, about you  
I want you to know I want you to know how you feel  
About me, about me, about me  
I want you to know Here I stand upon this stage  
Surrounded by a see-through cage  
I'm content to sing and shout  
If you're content to hear me out  
I've got a reason to rock this place And so I'm turning up my mic  
I'm gonna rock n roll all night  
In ultrasonic stereo  
I'll tell you about the One I know  
I've got a reason to rock this place I want you to know , I want you to know  
I want you to know, I want you to know  
I want you to know, I want you to know  
I want you to know, I want you to know I want you to know  
It's more than rock n roll  
I gotta superphonic saying  
In my brain and it's gonna blow
