A Day Without Me

U2

Starting a landslide in my ego
Look from the outside
To the world I left behindI'm dreaming
You're awake
If I were sleeping
What's at stake
A day without meWhatever the feelings
I keep feeling
What are the feelings
You left behindToday's a day without meI started a landslide in my ego
Look from the outside
To the world I left behindIn the world I left behind
Wipe their eyes, and then let go
To the world I left behind
Shed a tear, and then let go
