All Right Now

The Free

There she stood in the street
Smiling from her head to her feet
I said hey, what is this
Now baby, maybe she's in need of a kiss
I said hey, what's your name baby
Maybe we can see things the same
Now don't you wait or hesitate
Let's move before they raise the parking rateAll right now baby, it's all right now
All right now baby, it's all right nowI took her home to my place
Watching every move on her face
She said look, what's your game baby
Are you tryin' to put me in shame?
I said "slow don't go so fast,
Don't you think that love can last?
She said Love, Lord above
Now you're tryin' to trick me in loveAll right now baby, it's all right now
All right now baby, it's all right nowYeah, it's all right now
Oh yeahLet me tell you all about now
Took her home to my place
Watching every move on her face
She said look, what's your game
Are you tryin' to put me in shame?
Baby,I said "slow don't go so fast
Don't you think that love can last?
She said love, Lord above
Now he's tryin' to trick me in loveAll right now baby, it's all right now
All right now baby, it's all right nowAll right now baby, it's all right now
All right now baby,baby,baby it's all right now
All right now baby, it's all right now
All right now baby, it's all right now
(All right now baby, it's all right now) We are so happy together it's alright,it's alright,it's alright
(Everything alright) all right now baby, it's all right now
