# Life Foreclosed

## Firewind

Dark clouds
On the horizon
Like thoughts
Within your mind
Deep within
Cold and darkness
You know it's our timeThe world goes on
Wthout you
The evil survives
The world weeps more
Day by day
No one even tries
Life foreclosed
And payment is due
It's the end
For me and you
Lie in destruction
seduction
The criesWe are the destroyers of life
We are the bringers of pain
We are the last ones alive
We know that it's true
Yes, we know that it's true
Endless war
A trade of men
Endless hate
All we understand
Endless poor
Hold out their hand
Endless greed
Just turned around
Hold out their hand
Endless greed
Just turned aroundThe world looks
On in anguish
I'd like to decideLife foreclosed
And payment is due
It's the end
For me and you

Lie in destruction
Anger, seduction
The criesWe are the destroyers of life
We are the bringers of pain
We are the last ones alive
We know that it's true
Oh, we know that it's true-Solo-We are the destroyers of life
We are the bringers of pain
We are the last ones alive
We know that it's true
Oh, we know that it's trueWe are the destroyers of life
(Destroyers of life)
We are the bringers of pain
We are the last ones alive
(Last ones alive)
We know that it's true
Yes, we know that it's trueLife foreclosed
