

# We Can Work It Out

Heather Nova

Try to see it my way  
Do I have to keep on talking till I can't go on?  
While you see it your way  
Run the risk of knowing that our love may soon be goneWe can work it out  
We can work it out  
Think of what you're saying  
You can get it wrong and still you think that it's alrightThink of what I'm saying  
We can work it out and get it straight, or say good night  
We can work it out  
We can work it outLife is very short  
And there's no time  
For fussing and fighting, my friend  
I have always thought that it's a crimeSo I will ask you once again  
Try to see it my way  
Only time will tell if I am right or I am wrong  
While you see it your wayThere's a chance that we may fall apart before too long  
We can work it out  
We can work it out  
Life is very shortAnd there's no time  
For fussing and fighting, my friend  
I have always thought that it's a crime  
So I will ask you once againTry to see it my way  
Only time will tell if I am right or I am wrong.  
While you see it your way  
There's a chance that we may fall apart before too longWe can work it out  
We can work it out
