Without A View

Tommy Stinson

Lookin' for a little peace
Maybe some days
You don't need to hear the truthThere's a place for every war
And every other tear
A place for everyone
And everyone's fearsDo you trust yourself at night
Do you trust yourself at all
Take another look outside
Do you see it raining
Or maybe even worseNot in my house
Not in my room
Not in my home
My home without a viewGot to take a walk outside
Got to hear the traffic
I need a little noise
A murder on the bus
A dealer and his shame
A baby that just wants a different name
Do you ever even think twice
Do you ever even think at allEverybody's talking loud
And all at once
With a poison in their tonguesThere's gotta be a better view
