

# The Iceman Comes

**Gary Numan**

The iceman comes  
Someone is out there  
They'll wait and won't make mistakesThe iceman comes  
My head runs empty  
Oh I've got the fearThe iceman comes for me.The iceman comes  
Blow dust off your stories  
I could give inThe iceman comes  
I'll send, you'll take  
Is this such dark business?The iceman comes for me.
