Stone Temple Pilots

My friend Blue he runs the show
With hot pink purple china glow
 His family trees are molded
 No longer grows in summer
 He holds it closer lets it go
Picks a fruit but keeps it whole
 Can't keep the submarine in
Can't keep the light from fading
 Grab the hate and drown it out
 Grab the beat and drum it out
 It's all so confusing
Ain't the same for you and me
 Cartoons like reality
 Dogs and cats and children
 The deepest wound is hidden
Ain't the same for you and me
 Comatose commodity
 The superheroes dyin'
 All the children cryin'
Sell more records if I'm dead
 Purple flowers once again
Hope it's sooner, hope it's near
 Corporate records' fiscal year
Down the river, down the river
 Have a listen lend an ear
Here's a song now if you care
 We can all just hum along
 Words don't matter anymore
 Grab the hate and drown it out
 Grab the beat and drum it out
 It's all so confusing
 Adhesive love, adhesive
 Adhesive love
 Adhesive love, adhesive
 Adhesive love
Flyin' high across the plain
 Purple flowers ease the pain
 Here, now have a listen
Ain't the songs you're missin'

Down the river, down the river
Stitch the womb and wet the bed
With a whisper I'll be dead
Don't let the living die yet
Grab the hate and drown it out
Grab the beat and drum it out
It's all so confusing
Adhesive love, adhesive
Adhesive love
Adhesive love, adhesive
Adhesive love
