

# You Can't Bring Me Down

## Suicidal Tendencies

What the hell's going on around here? First off, let's take it from the start  
Straight out, can't change what's in my heart  
No one, can tear my beliefs apart  
You can't bring me You ain't, never seen no one like me  
Prevail, regardless what the cost might be  
Power flows inside of me  
You can't bring me Never, fall as long as I try  
Refuse, to be a part of your lie  
Even, if it means I die  
You can't bring me You can't bring me down Who the hell you calling crazy?  
You wouldn't know what crazy was  
If Charles Manson was eating fruit loops  
On your front porch Time out, let's get something clear  
I speak, more truth than you want to hear  
Scapegoat, to cover up your fear  
You can't bring me You ain't, never seen so much might  
Fight for, what I know is right  
What up, you got yourself a fight  
You can't bring me Stand up, we'll all sing along  
Together, ain't nothin' as strong  
Won't quit, we ain't in the wrong  
You can't bring me You can't bring me down Bring me down, you can't bring me down  
Bring me down, you can't bring me down, no  
Bring me down, you can't bring me down  
Bring me down, you can't bring me down  
You can't bring me down Tell them what's up Rocky You can't bring me down Bring me down, you can't bring  
me down  
Bring me down, you can't bring me down, no  
Bring me down, you can't bring me down  
Bring me down, you can't bring me down  
You can't bring me down So why you trying to bring me?  
Well, you can't bring me down, no, no, no, no  
Can't bring me down, no, no, no, no, no, no  
Can't bring me down, no, no, no, no, no, no  
Can't bring me down, no, no, no, no, no, no  
So why you trying to bring?  
When you can't bring me down Just 'cause you don't understand what's going on  
Don't mean it don't make no sense  
And just 'cause you don't like it

Don't mean it ain't no good and let me tell you something  
Before you go taking a walk in my world  
You better take a look at the real world  
'Cause this ain't no  
Mister Roger's Neighborhood  
Can you say, "Feel like shit?"  
Yea maybe sometimes I do feel like shit  
I ain't happy 'bout it, but I'd rather feel like  
Shit than be full of shit  
And if I offended you, oh I'm sorry  
But maybe you need to be offended  
But here's my apology  
And one more thing, fuck you  
'Cause you can't bring me down  
Bring me down, you can't bring me down  
Bring me down, you can't bring me down  
Bring me down, you can't bring me down  
Bring me down, you can't bring me down  
Bring me down, you can't bring me down  
Bring me down, you can't bring me down  
You can't bring me down  
Can't bring me down  
Can't bring me down
