Vibe On

Dannii Minogue

Oh yeah
Oh, my God, the [Incomprehensible] got her bag
Does anyone know where I can get those?
VibesInstead of just lyin' there
Why don't you show me that you're powerful?
I, I, I put in triple X batteries
Just so, you'd give me somethin' wonderful
Turn you onChange you up fast and slow
Till I find the frequency I likePlug it in an' give me my vibe on
Give me vibrations
That's what gets my ride on
Gotta have vibrations
Jump on, top it, sit right on it
Plug in an' give me my vibe on
Gotta have vibrations, vibeI don't wanna put you down
Looks like I'm a vibraholic now
I, I need you comin' with me everywhere
Lately I smile so much, I'm gettin' stares
Turn me onChange you up fast and slow
Till I find the frequency I likePlug it in an' give me my vibe on
Give me vibrations
That's what gets my ride on
Gotta have vibrations
Jump on, top it, sit right on it
Plug in an' give me my vibe on
Gotta have vibrationsPlug it in an' give me my vibe on
Give me vibrations
That's what gets my ride on
Gotta have vibrations
Jump on, top it, sit right on it
Plug in an' give me my vibe on
Gotta have vibrationsYou be like givin' me vibrations
The ultimate stimulation
Straight out of the box, ah, unhesitation
Your speakers like a pony that I love to ride
Makin' me crazy when the volumes highYou're compact so I can take you anywhere I want
Make my friends scream out loud
I want what she's got
Supernatural doin' things that normal man can't do

So let me take you out, try you out, I'm in the moodChange you up fast and slow
Till I find the frequency I likePlug it in an' give me my vibe on
Give me vibrations
That's what gets my ride on
Gotta have vibrations
Jump on, top it, sit right on it
Plug in an' give me my vibe on
Gotta have vibrationsKeep on givin' me, keep on givin' me my vibrations
Keep on givin' me, keep on givin' me my vibrations
Keep on givin' me, keep on givin' me my vibrations
Keep on givin' me, keep on givin' me my vibrationsPlug it in an' give me my vibe on
Give me vibrations
