

Glowing (Danny Verde Radio Edit)

[Nikki Williams](#)

This is my confessional
Seven seconds till I hit the ground
But you saved my life!
Now I feel indestructible
So protected when you're around
Yeah, you saved my life! You make me, you make me feel so incredible
You and I, you and I feels unbelievable
You're making, you're make yeah so undeniable A million hearts, you're the only one
Who locked it up, like I'm glowing in the dark!
I'm in your heart, you're the only one
Who lights me up, like I'm glowing in the dark! This is my confessional
Seven seconds till I hit the ground but you saved my life!
Now I feel indestructible
So protected when you're around, yeah you saved my life! You make me, you make me feel so incredible
You and I, you and I feels unbelievable
You're making, you're make yeah so undeniable A million hearts, you're the only one
Who locked it up, like I'm glowing in the dark!
I'm in your heart, you're the only one
Who lights me up, like I'm glowing in the dark! This is my confessional
Seven seconds till I hit the ground but you saved my life!
Now I feel indestructible
So protected when you're around, yeah you saved my life! A million hearts, you're the only one
Who locked it up, like I'm glowing in the dark!
I'm in your heart, you're the only one
Who lights it up, like I'm glowing in the dark!
