

# Love Is Just Around the Corner

**Toots Thielemans**

Beautiful miracle, pardon my lyrical rhapsody,  
But can't you see, you've captured me.  
Being so glamorous, can't you be amorous just with me?  
Make it soon, take a look at the moon. Love is just around the corner, any cozy little corner.  
Love is just around the corner when I'm around you.  
I'm a sentimental mourner, and I couldn't be forlorn,  
When you keep me in a corner just waiting for you.  
Venus de Milo was noted for her charms,  
But strictly between us, you're cuter than Venus,  
And what's more you got arms.  
So cuddle in a corner, any cozy corner,  
Love is just around the corner and I'm around you.
