Peaceful In Mine

Jude Cole

When the sun comes up on another day
And the sidewalk shines and the streetlights sway
In the autumn wind, hard like the times
I'll dream of yours, peaceful in mineAnd when the stars fall out of sight
A flame will burn in a frozen night
With a simple wish in these violent times
To dream of yours, peaceful in mineWhere we walk down that road again
Innocent strangers, eternal friends
In a world of our very own far from space and time
With yours, peaceful in mineWait for me up there tonight
We'll dance on till the morning light
Leaving all but faith behind
With your, peaceful in mine
